Hiring Committee
Patient and Family Services
Larkspur Health
Minneapolis, MN

Re: Program Coordinator

Dear Hiring Committee,

I am writing to apply for the Program Coordinator position with Patient and Family Services at Larkspur Health. For 12 years I have helped immigrant and first-generation families find their way through big systems, from colleges to social services.

I plan and run large events, including an orientation for 400 people each fall, and I have built referral partnerships with 10 community organizations. I speak Somali and English.

Thank you for your time. I would welcome the chance to talk about how I can help Larkspur Health serve patients and families.

Sincerely,

Amina Yusuf
