Re: Program Coordinator, Job Opening ID 362184

Dear Hiring Committee,

I am writing to apply for the Program Coordinator position in the Student Success Center at Tamarack State University. For 12 years I have helped first-generation and immigrant students and families reach their goals.

As a Student Success Coach at Ridgeway Technical College, I plan and run orientation for 400 new students each fall, and I grew our peer mentor program from 12 to 35 mentors. I advise a caseload of 150 students and connect them with tutoring, financial aid and counseling. I speak Somali and English.

Thank you for your time. I would welcome the chance to talk about how I can support Tamarack students.

Sincerely,

Amina Yusuf
