AMINA YUSUF

Student Support and Program Coordination

Student support professional with 12 years of experience helping first-generation and immigrant students and families reach their goals. Fluent in Somali and English.

Program Coordination

- Plan and run orientation for 400 new students each fall, with 30 staff and student volunteers
- Grew a peer mentor program from 12 to 35 mentors
- Managed event budgets up to $15,000 and tracked every expense

Student Advising and Support

- Advise a caseload of 150 students, most of them the first in their family in college
- Connect students with tutoring, financial aid, food support and counseling
- Track student progress in a records system and follow up when grades slip

Partnerships and Outreach

- Built referral partnerships with 10 community organizations
- Led family information nights in Somali and English
